Unfortunately this food truck thing has escalated. Hope to get it resolved ASAP. Thanks for your help. I am hoping if the LAPD gets a drop in station within the Mobility Hub and are treated as part of our team they will back off.

Thank you both for your help. This was truly the result of miscommunication within the Bloc.

Hi Phillip,

I wanted to let you know that today we decided to set up across from the Bloc at Meter because you told us of the issues with LAPD and the harassment we have been dealing with in front of the Bloc.

Today 6 motorcycle cops rolled up on only us and gave me a citation even though we paid the meter and were within our rights to be here for 2 hours. Meanwhile, as you can see from the photos we took, there was a food truck

across the street in front of 3 restaurants and 7 Eleven, and they never even approached them. There is a fruit cart at the end of the street taking up 2 spots all day and they were not approached either. We did \$80 in sales today and the Counter was out taking photos of our truck. The Counter was packed, so clearly we are not hurting them. If this isn't LAPD harassment, what is? We want to return to The Bloc. Please let us know when we can.

Whatever you need of us, let us know please.
